

CREDIT CARD INTEREST RATE WORKSHEET

To get a clearer picture of exactly how much money you're spending each month on interest, and how much interest is accruing every month on your credit card accounts, complete the following chart.

CREDIT CARD	ACCOUNT NUMBER	BALANCE	MINIMUM PAYMENT	INTEREST RATE	MONTHLY INTEREST DOLLAR AMOUNT

If the interest on your accounts is accruing at a pace that simply won't allow you to realistically pay off your accounts in a reasonable amount of time, it's a good idea to start looking at some of your options to become free from debt.
